For registration & abstract / paper preparation guidelines, visit <https://ichtr.manipal.edu>.

Manipal Academy of Higher Education (MAHE) is a multidisciplinary university located in Manipal, Karnataka, India. Established in 1953, MAHE has been granted Institute of Eminence status by the Ministry of Education, Government of India, and currently has campuses in Bangalore, Mangalore, Jamshedpur and Dubai. Known for its innovative and industry-relevant curriculum, world-class infrastructure, MAHE aims to inculcate the future generations with skills of research and innovation to make the world a better place.

MAHE Students' Research Forum (MAHE-SRF) is a student-led organization that aims to develop and foster research interest among the undergraduates, postgraduates, and research scholars of MAHE. The forum conducts various activities to promote the professional development of students across all campuses of the university.

We are pleased to invite you to the upcoming **Interdisciplinary Conference on Healthcare and Technical Research (ICHTR) 2023**. The conference will feature expert speakers from the healthcare industry, academia, and the technology sector, who will be sharing their insights on the latest advances in their fields. It is intended for academicians, students, healthcare professionals, researchers, and anyone interested in the latest developments in healthcare and technology.

ICHTR 2023 will provide a forum for lively discussion and exchange of ideas on the opportunities and challenges of artificial intelligence, telemedicine, omics technologies and other emerging fields. Attendees will also have the chance to network with other professionals and experts in various fields.

**Selected abstract submissions will be considered only for conference presentation. Selected full-length papers will be considered for conference presentation and publication in the special issue of a SCOPUS indexed journal.**
